THIS IS AN INTRODUCTION TO MATTERS SEVERE AND GRAVE -- I EXPECT YOUR FULL AND COMPLETE PARTICIPATION -- AND A RETURN RESPONSE AS QUICKLY AS HUMANLY POSSIBLE

THANK YOU.

I am INDEED Reaching Out To Any and All Resources to Properly Balance This To An Patient-Centered Concern for my care -- as a citizen and as a patient -- the situation here is fully documented.

I should enclose --- but don't have to -- a photo of my red swollen foot -- left -- suffering from not being able to initiate a trustworthy interface to an HIV CARE doctor -- since March 2019.

I have not been in treatment care since March 2019 because my care has collapsed in view of all civil society not being able to address this and have this put to our correction --

The moral agency in this -- is lost -- I will not sit down and shut the fuck up to watch this --- as treasonous to my country that would be.

As to write this once again, looping all my words in this into view of all who can really see -- I am dying -- in my final stretch --- unable to get care --- properly assigned with personal responsibility for the conduct of unbecoming professionals in all categories of civil society - I DETACHED I AM HUNG OUT TO DRY -- I DIED!

I DEMAND A CHANGE OF THE FOCUS -- TO BE PROPERLY ADDRESSED -- IMMEDIATELY!

#HIVUNTREATABLE declared years past now --- no response from the community!

I DEMAND MY LIFE BACK

#HIVUNTREATABLE

If you can not be the correct way with me -- leave me alone with that bullshit!

Let me go --- and just get out of your way -- let me die alone and with my own safety!

Let me go -- I want to die with your asses not corrected for this shit!

CC: Inland Psych Office, Appointment Set Up January 4th, 2022 -- THEY TOO HAVE THE SAME ISSUES INVOLVED.
